### **GRADE 8 LEARNER AND PARENT LETTER 2027**

Dear Parent/Guardian

We thank you for your enquiry at our school, we herewith furnish you with important information regarding our school and boarding:

REC Schools and Academies was founded in 1992 and registered with the Department of Education. We strive towards excellence with exemplary matric results of on average 99,4% over the past six years. The general pass rate for all academic work has to be maintained at sixty percent (60%) during the year. We ensure this excellence with individual attention in limited classroom numbers.

All our educators are highly qualified and are devoted to hard work and individual attention. Afternoon, Saturday and holiday classes are conducted by our educators. These come as a standard service and are free of charge.

#### **EXTRAMURAL ACTIVITIES**

Our REC Soccer Academy is well established and our team currently holds the championship trophy for the greater Rustenburg. Soccer coaching starts early in the year and continues right through the academic year as they play in different leagues.

Our learners also take part in netball, basketball, athletics, volleyball and chess. For culture we do traditional dances, art, spelling bee and choir.

#### **TRANSPORT**

The Bojanala Bus Service to and from school daily, as well as public transport that particularly travels to REC for our learners, is fully functional. Our transport manager can be contacted regarding enquiries:

Mr. Phila Ncube cellular number 0763968455 or 0787500049

#### **REC BOARDING**

We have excellent boarding facilities on our school premises with twenty-four (24) hour supervision and a security reaction service and full camera surveillance. Educators reside on the property. Each dormitory has two staff members residing in it. There are two (2) study sessions daily under educator supervision with assistance. Three (3) balanced meals are provided per day and a laundry service on a weekly basis.

Boarders from Botswana and surrounding provinces only return home over school holidays. We are aware of some difficulties our learners and parents at times encounter with travelling over the border, boarders are therefore permitted to stay over weekends where they are supervised. Our fees are competitive and our premises tranquil, and the surroundings safe.
